THE BAR COUNCIL OF INDIA

AUDITOR'S REPORT

THAKUR, VAIDYANATH AIYAR & CO.
CHARTERED ACCOUNTANTS

New Delhi, the 3rd July 1974

Re : Audit of the Accounts of the Bar Council of
India for the year ended 31-3-1974.

Gentlemen,

We have audited the accounts of the Bar Council of India for the year ended 31-3-1974, and are sending herewith 4 copies of the Income and Expenditure Account for the year, together with the Balance Sheet as on that date, which may be returned to us duly approved and signed by the Chairman and the Members of the Executive Committee, for our certification.

Our observations on the accounts are as follows :—

1. Enrolment Fees—Rs. 7,42,200

(a) The audited Balance Sheets from the following State Bar Councils have not been received so far, thus we are unable to verify that the Bar Council of India has received the amount which is actually due.

(i) Gujarat, (ii) Punjab & Haryana, (iii) Bihar,
(iv) Mysore.

(b) The Bar Council of India should, in addition to the audited accounts, ask for the number of members actually enrolled during the year and compute their income on its basis.

(c) The State Bar Councils are required to remit the share of the Bar Council of India by the end of April under Section 46 of the Advocate's Act, but only 6 States Bar Councils have complied with this provision. In future all the State Bar Councils should be asked to remit the money in time.

2. Provision for expenses

(a) A provision of Rs. 1,500 has been made on account of Travelling expenses of Dr. Anandji for Legal Education Committee meeting which has not been paid fully. Dr. Anandji had taken an advance for travelling amounting to Rs. 1,000 in May, 1973. He has not submitted the T.A. Bill inspite of several reminders. Action should be taken to obtain the T.A. Bill.

(b) A provision for Rs. 6,806.18 has been made due to revision of Grades w.e.f. 1-1-1973. This is the amount payable, being the difference between the amount computed on the basis of new Grades and the amount actually paid to the employees. This provision relates to 14 months out of which 2 months are for the year 1972-73.

3. Journal Expenses

As two issues of November, 1973 and February, 1974 had not been published till the middle of June 1974 it was not possible to exactly determine the amount of expenditure expected to be incurred on it. For this reason a provision for Rs. 20,000 has been created on an *ad-hoc* basis.

4. Maintenance of Cash Book

The Cash Book of the Bar Council of India is being closed only once a month and so the cash balance is also ascertained once a month. It is suggested that in order to avoid confusion the cash book should be balanced daily and the adjusting entries should face each other.

5. Advances

An amount of Rs. 42,030 was paid to the Land & Development Officer, Government of India, for land in 1968. Execution of the Lease Deed is still pending which may be expedited.

In conclusion we wish to express our thanks to the Secretary, the Accountant and the other members of the staff for the courteous co-operation extended during the course of the audit.

Yours faithfully,
THAKUR VAIDYANATH AIYAR & CO.
